A SNEAK PEEK INTO METALCON 2022

Visit 200+ Exhibitors and Connect with the Largest Global Network of Suppliers and Manufacturers in the Industry

Don't delay. Register today!

Don't miss your chance to get expert answers to your metal-related questions, meet potential partners, and see, touch and experiences the latest innovations in "all things metal"

Register Before September 2 and SAVE with Early Bird Pricing

Visit metalcon.com/register

THE ONLY GLOBAL EVENT DEDICATED EXCLUSIVELY TO THE USE OF METAL IN CONSTRUCTION AND DESIGN

METALCON IS PRODUCED BY PSMJ RESOURCES, INC. IN PARTNERSHIP WITH THE METAL CONSTRUCTION ASSOCIATION

WHAT DO METALCON AND THE INDY 500 HAVE IN COMMON?

While they may seem like daredevils, race-car drivers are meticulous fanatics when it comes to preparing for the rigors of a race. They plan, train, analyze, measure, and recruit a team they trust to keep them on track and moving forward.

Thriving businesses do the same – except they must prepare to race Every. Single. Day.

That's why you can't afford to miss METALCON 2022 where you will be exposed to the industry connections, essential content, and critical commerce opportunities you need to drive your business into the Winners Circle.

Here are some exciting highlights you will experience at METALCON this year:

- ★ An Exhibit Hall filled with a fantastic array of metal-related products, equipment, demonstrations and education you won't see anywhere else in the world.
- ★ The Insulated Metal Panel Pavilion presented by the IMP Alliance, is a rare opportunity to see six major brands all in one location.
- ★ The Metal Buildings Marketplace highlights the growing uses of metal buildings.
- ★ The Sustainability Learning Center will provide resources related to metal's superior performance in this critical issue impacting all future construction.
- ★ Exclusive programming, dedicated networking, exceptional learning opportunities, and a Happy Hour exclusively for our Future Industry Leaders.
- ★ The Total Experience registration is your all-access pass to the exhibits, demos, and FREE education –on the show floor– where you can earn up to 15 AIA LU's (learning units) INCLUDING up to 12 HSWs.
- ★ The Architect's Experience, a 'show within a show exclusively for architects, designers, specifiers, and engineers ready to breathe new life into projects and solve a wide variety of architectural, structural, environmental, and performance challenges using metal.
- ★ Plus, inspiring keynotes, non-stop networking, awards, race car "driving," raffles, prizes, and more!

All this is taking place this October in Indianapolis! Known as the "Crossroads of America," Indiana is within a one-day drive of 80% of the U.S. population. The Hoosiers capital is home to the NFL's Indianapolis Colts, the NCAA basketball tournament, the Indy 500 Museum, the infamous St. Elmo's Steakhouse, top universities and more.

Turn the page to learn more about METALCON 2022, plan your visit and discover why the industry decision makers and influencers all come together at METALCON! We can't wait to host you!

Judy Geller,

Vice President, METALCON

METALCON IS ROARING INTO INDIANAPOLIS THIS OCTOBER!

Experience the most innovative metal construction products and solutions and connect with the most respected metal construction industry vendors and thought leaders.

Discover the ideas, tools, and expertise you need to turbocharge your business and get on the fast track to Victory Lane at the only global event focused exclusively on the use of metal in construction and design!

METALCON 2022 EDUCATION

Get the practical, solutions-oriented education on the key trends impacting the metal construction industry you can't get anywhere else. From best practices and industry insights, to tools, techniques and technical knowledge, your business will be well positioned to win in 2022, 2023 and beyond.

Learn from the top technical whizzes, business experts, design professionals, and industry insiders in metal construction today. From intensive pre-show workshops to 40+ FREE educational sessions conveniently located inside the exhibit hall, to inspiring Keynotes and beyond, METALCON has it all!

It's easy to take advantage of all of the free education, with almost all of the sessions conveniently located in the exhibit hall!

Check out the full education program at metalcon.com/education

In addition to the FREE sessions located on the show floor, choose from these six in-depth, skill-building, team-transforming and lifesaving workshops. Learn more about workshops on page 6

THE ARCHITECT'S EXPERIENCE AT METALCON

Beauty. Versatility. Durability. Sustainability.

Produced by PSMJ Resources, Inc., in partnership with AEC Daily, The Architect's Experience is a "show-within-a-show" that illustrates how metal can help you solve your toughest architectural, structural, environmental, and building performance challenges.

From insulated metal panels and metal roofing products to finishes and coatings, The Architect's Experience will spark your creativity and introduce new ways of thinking.

Learn more on page 8 or at metalcon.com/architects

NEW! FUTURE LEADERS

The Future Leaders of METALCON is a new program for rising stars, up-and-comers, management trainees, apprentices and others, roughly age 40 and under, ready to take their career to the next level.

Gain the knowledge, insights and tools you need to advance through dedicated content and activities available virtually through METALCONLive! and in-person, on-site at METALCON 2022 in Indianapolis next October.

The FLMC will help the next generation of metal construction industry professionals – and their managers – prepare to step into leadership roles.

See Future Leaders Program and Happy Hour info on page 9.

Trade Show Executive
**GOLD
100**

**METALCON MAKES
THE LIST OF THE TOP
100 TRADESHOWS IN
THE UNITED STATES!**

METALCON received a powerful endorsement that we're excited to share. Each year, Trade Show Executive, our industry's leading publication, honors the top 100 trade shows in the U.S. For the first time in our 31-year history, METALCON is a member of this coveted list. To earn this recognition during one of the most challenging years in trade show history is the ultimate compliment for our team.

SCHEDULE AT A GLANCE

Tuesday, October 11, 2022

12:00 – 5:00 PM Registration Opens

1:00 – 5:00 PM Workshops

Wednesday, October 12, 2022

7:30 AM – 5:00 PM Registration Opens

8:00 AM – 12:00 PM NRCA Metal Roof Installation Pro Certification

8:30 – 8:45 AM There's No Such Thing as a Free Thermodynamic Lunch
How Changing Energy Flow Changes Everything / **KEYNOTE**

8:30 AM – 12:30 PM Workshops

8:30 AM – 5:00 PM The Architect's Experience Sessions

10:00 – 11:00 AM Leading for Today and Tomorrow / **KEYNOTE**

10:00 AM – 5:00 PM Main Theater Sessions

11:00 AM Show Floor Opens

11:00 AM – 5:00 PM Ready, Set Go! Racing Competition

11:15 AM – 12:45 PM Architect's Experience Floor Tour

11:15 AM – 4:45 PM Technical Know-how Learning Sessions

11:30 AM – 3:30 PM Sustainability Learning Center Sessions

11:30 AM – 5:00 PM Best Practices Learning Center Sessions

11:30 AM – 12:00 PM IMPs: Installation and Handling Best Practices

12:00 PM Oktoberfest at CIDAN Machinery - grab a free beer

12:00 PM METALCON Pitstop at The Deck - grab a free beer and snack

12:30 PM Invite a colleague/friend winner announced at The Deck, must be present to win

1:00 PM Oktoberfest at Flack Global Metals - grab a free beer

1:30 – 2:30 PM MCA Award Presentation

2:00 – 2:30 PM IMPs: Installation and Handling Best Practices

2:00 PM Oktoberfest at The Bradbury Group - grab a free beer

3:00 PM Oktoberfest at Marco Industries - grab a free beer

3:30 PM Donation give back raffle winner announced at The Deck, must be present to win

3:30 PM Exhibitor Spotlight QR Code winner announced at The Deck, must be present to win

4:00 PM Oktoberfest at United States Steel - grab a free beer

4:00 – 5:00 PM Future Leaders Reception Sponsored by CIDAN Machinery

5:00 PM Show Floor Closes

Schedule at a glance continues on the next page.

Don't delay. Register today!

Don't miss your chance to get expert answers to your metal-related questions, meet potential partners, and see, touch and experiences the latest innovations in "all things metal"

Register at metalcon.com/register

Play to win \$500 Cash!

Get a passport at registration. Visit each exhibitor inside, collect a star and tell us what you learned about their product or company.

Passport must be filled out in its entirety and submitted to The Deck no later than Friday at 11:30AM

Thursday, October 13, 2022

7:30 AM – 5:00 PM Registration Opens

8:30 AM – 12:00 PM NRCA Metal Roof Installation Pro Certification

8:30 AM – 5:00 PM The Architect's Experience Sessions

10:00 AM – 11:00 AM The Road to Success / **KEYNOTE**

10:00 AM – 5:00 PM Main Theater Sessions

KEYNOTES + MAIN THEATER

Be sure to head to the **METALCON Main Theater** to check out our inspiring Keynotes, Panel Discussions and General Sessions you won't want to miss!

KEYNOTES:

There's No Such Thing as a Free Thermodynamic Lunch- How Changing Energy Flow Changes Everything, Presented by Dr. Joseph Lstiburek

Wednesday, October 12, 8:30 AM- 9:30 AM
This session will be in meeting room 135

Leading for Today and Tomorrow, Presented by Dr. Melissa Furman

Wednesday, October 12, 10:00 AM - 11:00 AM

The Road to Success, Presented by Josef Newgarden

Thursday, October 13, 10:00 AM- 11:00 AM

THEATER SESSIONS:

From Employee to Manager: Transitioning to a Management Role - A Future Leaders Program

Wednesday, October 12, 3:00 PM - 4:00 PM

Future Leaders Program Happy Hour & Networking - Sponsored by CIDAN Machinery

Wednesday, October 12, 4:00 PM - 5:00 PM

State of the Industry

Thursday, October 13, 11:15 AM - 12:15 PM

The Power of Networking: Company, Industry, Community

Thursday, October 13, 3:00 PM - 4:00 PM

SUSTAINABILITY

The **Sustainability Learning Center** is special educational hub located on the showfloor dedicated to helping you capitalize on this critical issue. Get up to the minute information on sustainability practices and products for metal buildings and discover new ways to deal with that nasty "C" word: Carbon.

The Total Solar Solution

Wednesday, October 12, 11:30 AM - 12:30 PM

Understanding Embodied Carbon

Wednesday, October 12, 1:00 PM - 2:00 PM

Above-Sheathing Ventilation - The Forgotten Cool Roof

Wednesday, October 12, 2:03 PM - 3:30 PM

Solar in High Wind & Snow Country: Design Considerations

Thursday, October 13, 11:30 AM - 12:30 PM

BIPV Versus Traditional Solar for Steel Buildings

Thursday, October 13, 1:00 PM - 2:00 PM

ROI of Installing Solar PV on Metal Roofing

Thursday, October 13, 2:30 PM - 3:30 PM

BEST PRACTICES

Sessions in the **Best Practices Learning Center** feature industry experts providing you with solid, sensible advice and the tried and true techniques, tools and strategies you need to ensure your business's growth and success.

Take Your Metal Roofing Business From Good to Great

Wednesday, October 12, 11:30 AM – 12:30 PM

Culture Eats Strategy for Breakfast: Building a Winning Culture

Wednesday, October 12, 1:00 PM – 2:00 PM

Estimating the Right Way

Wednesday, October 12, 2:30 PM – 3:30 PM

Ground Up Self Storage: From Slab to Success

Wednesday, October 12, 4:00 PM – 5:00 PM

Residential Metal Roofing Specifications – Ensure Quality

Thursday, October 13, 11:30 AM – 12:20 PM

Metal Building Systems (MBS) – A Creative Design Approach

Thursday, October 13, 1:00 PM – 2:00 PM

The Importance of Digital Twins in Construction

Thursday, October 13, 4:00 PM – 5:00 PM

The History and Future of Metal Retrofit Roofing

Friday, October 14, 10:15 AM – 11:15 AM

To learn more visit metalcon.com/education

To register visit metalcon.com/register

TECHNICAL KNOW-HOW

Sessions in the **Technical Know-How Learning Center** will provide deep dives into code compliance, fire prevention, rain screen assembly, air flow and other topics critical to product performance, safety and your business.

Debunking Building Air Flow Misconceptions

Wednesday, October 12 11:15 AM – 12:15 PM

What's in a Coating and its Warranty for your Pre-Painted Metal

Wednesday, October 12 12:45 PM – 1:45 PM

Decoding the Language of Rainscreens

Wednesday, October 12 2:15 PM – 3:15 PM

Stainless Steel Polishing and Finishing for Architects and Fabricators

Wednesday, October 12 3:45 PM – 4:45 PM

Integrating Cladding in Rainscreens and the Difference Between the Two

Thursday, October 13, 11:15 AM – 12:15 PM

Sealant and Adhesive Technology for Metal Construction Applications

Thursday, October 13, 12:45 PM – 1:45 PM

Oilcanning: The Why and Can You Avoid It?

Thursday, October 13, 2:15 PM – 3:15 PM

Cladding Safety in Light of Global Fires

Thursday, October 13, 3:45 PM – 4:45 PM

Under Pressure: An Update on Air Leakage Testing

Friday, October 14, 10:00 AM – 11:00 AM

Don't delay. Register today!

Don't miss your chance to get expert answers to your metal-related questions, meet potential partners, and see, touch and experiences the latest innovations in "all things metal"

WORKSHOPS

Maximize your METALCON experience! Take advantage of these in-depth, skill-building, and life-saving workshops!

Metal Roof Installation Training Certificate Program: Part 1 & 2

Tuesday, October 11, 1:00 PM – 2:00 PM
Meeting Room 131

Architectural Excellence with Insulated Metal Panels

Wednesday, October 12, 8:30 AM – 10:00 AM
Meeting Room 138

Understanding Metal Roofing: Part 1 & 2

Wednesday, October 12, 8:30 AM – 10:00 AM
Meeting Room 139

Rollforming for the Metal Construction Industry: Part 1

Wednesday, October 12, 8:30 AM – 12:00 PM
Meeting Room 133

Life or Death Accountability: Transforming Your Team to Act as if Lives Depend on It

Wednesday, October 12, 8:30 AM – 11:30 AM
Meeting Room 141

Game Plan Your Fall Plan

Thursday, October 13, 8:30 AM – 11:30 AM
Meeting Room 135

Rollforming for the Metal Construction Industry: Part 2

Thursday, October 13, 8:30 AM – 12:00 PM
Meeting Room 133

All workshops require pre-registration, an additional fee and include your Total Experience/Exhibit Hall Pass.

THE ARCHITECT'S EXPERIENCE

The Architect's Experience at METALCON is a 'show within a show' exclusively for **architects, designers, specifiers and engineers** eager to breathe new life into projects, wow clients, and solve a wide variety of design, structural, technical, environmental, cost and performance challenges, all through the use of metal.

There's No Such Thing as a Free Thermodynamic Lunch- How Changing Energy Flow Changes Everything, Presented by Joseph Lstiburek

Wednesday, October 12, 8:30 AM – 9:30 AM

Clif Bar Case Study- A Case Study in Incorporating Metal in Biophilic Design

Wednesday, October 12, 10:00 AM – 11:00 AM

Creating the Perfect All-In-One Air Barrier Back Up Wall System

Wednesday, October 12, 12:45 PM – 1:45 PM

From Cooling to Color Changing: New Pigments Deliver Benefits Architects Appreciate

Wednesday, October 12, 2:45 PM – 3:45 PM

The Art of Competing with Big Firms: How Designing Next Generation Facilities Gave TBA a Competitive Advantage

Wednesday, October 12, 4:00 PM – 5:00 PM

How Reducing Metals Carbon Footprint IS the Paradigm of Today's Design and Construction Industries

Thursday, October 13, 8:30 AM – 9:30 AM

The Devil's in the MCM Details

Thursday, October 13, 10:00 AM – 11:00 AM

How to Avoid Being Sued

Thursday, October 13, 11:15 AM – 12:15 PM

Air Barriers in Metal Buildings

Thursday, October 13, 1:00 PM – 2:00 PM

Embodied Carbon and EBLCA in Pre-Fab Construction

Thursday, October 13, 2:30 PM – 3:30 PM

Portable Roll-Formed Metal Panels VS. Preformed Metal Panels: Answers to the Questions You Never Asked

Thursday, October 13, 4:00 PM – 5:00 PM

The Architect's Experience at METALCON sponsored by ATAS International is produced by PSMJ Resources, Inc., in partnership with the Metal Construction Association and AEC Daily.

NEW! FUTURE LEADERS OF METALCON

Encouraging the business leaders of tomorrow with expert advice and exceptional learning opportunities. This program is FREE and included with all registrations to METALCON '22

At METALCON, we're proud of our 30+ year history of bringing the entire metal design and construction industry together for 3 days of experiencing new products, forging new relationships, and discovering new ideas. This year, we're focusing on the future.

The METALCON Future Leaders is a collection of learning and networking opportunities for young professionals working hard to get ahead.

Created in close partnership with METALCON '22 keynote speaker and acclaimed career counselor Dr. Melissa Furman, METALCON Future Leaders will give current trainees, apprentices, and managers the advice and skills they need to become tomorrow's principals, executives, and entrepreneurs..

**Virtual Kick-off the Future Leaders Program:
Personal Branding: An Important Skill for Professional Success**

SHOW FLOOR HIGHLIGHTS!

Insulated Metal Panels Alliance & Education Center

Back by popular demand! The Metal Construction Association's Insulated Metal (IMP) Alliance comprises leading manufacturers, material suppliers and resellers who are dedicated to growing and increasing the use of IMPs in the construction marketplace. See six major brands that produce 85% to 90% of all IMPs shipped in the U.S. and Canada, all in one location!

Plus, drop by the IMP's Education Center in Booth 748 for Insulated Metal Panels-Installation and Handling Best Practices

Metal Building Marketplace

This dedicated pavilion will create a convenient hub for contractors, the design and architectural community, and others to discover the benefits of metal building systems and book orders on-site.

Ready, Set, Race!

No trip to Indy is complete without race car driving! Stop by the Ready, Set, Race! area in the exhibit hall during show hours and compete against your colleagues!

Win up to \$1500 Cash!

Exhibitor Spotlight QR Scavenger Raffle

Scan every Exhibitor Spotlight QR code in the Exhibit Hall and qualify to win up to \$1500 in cash prizes!

One \$500 raffle winner will be selected each day. Must be present to win.

PLAN YOUR STAY IN THE CROSSROADS OF AMERICA

Rev up your engines for Indianapolis!

From the city's largest biergarten at Rathskeller to "stadium-sized talent" at the Helium Comedy Club, live jazz at Jazz Kitchen, Indianapolis comes alive after dark with hundreds of places for good times, good food and good conversation.

Take advantage of Indy's discount program called "Show Us Your Badge" for exclusive savings at restaurants and attractions. Sign up at metalcon.com/showusyourbadge and the passes will be delivered to your mobile device.

LOCATION

METALCON 2022 will be located at the Indiana Convention Center, 100 S Capitol Ave, Indianapolis, Indiana, 46225.

For directions and other useful information visit metalcon.com

REGISTRATION

To take advantage of Early Bird pricing, register by September 4, 2022.

Online: metalcon.com/register

Questions: 617-965-0055

Invite a colleague or friend to METALCON during registration and be automatically entered for a chance to **win up to \$300 cash in Indy!**

HOTEL RESERVATIONS

We've partnered with Globetrotter International to provide the lowest rates for your stay in Indy. The hotels are connected or walking distance to the convention center starting October 8 and running through October 16.

Book by September 7, 2022
